Dismantling Anti-Black Racism Implementation Plan

Dismantling Anti-Black Racism Implementation Plan

In December of 2021, the Newmarket Dismantling Anti-Black Racism task force (DABRTF) delivered its [Final Report](#) to Council. The report included 117 recommendations related to dismantling barriers, addressing inequalities and systemic racism in Newmarket and the broader York Region.

Following Council's adoption of the DABRTF report, the Town of Newmarket hired EMPOWER Strategy Group to develop an [Action Plan](#) which was presented to Council in January 2023.

Through consultations and discussions, 4 priority areas were identified:

- Capacity building and training
- Inclusive economic development
- Ensure full participation and representation of Black constituents in Newmarket
- Ongoing leadership and accountability

This Implementation plan outlines the actions that Town staff have committed to working on over the next 2 years (2023 - 2024) and is organized by the accountable department.

A DEI resource will act as subject matter expert and will focus on advancing DABR actions within their dedicated scope of work. Along with the tasks outlined in The Plan, the DEI resource will research Racial Equity Framework options and compare those to our current DEI Lens to identify any gaps.

As part of the accountability framework, this document will be updated quarterly to provide staff and the community with an update on the progress of the actions.

The below update is as of June 2024.
