IAN GRAY

Environment Awards

Providing financial support for
environmental projects in
Newmarket schools

Sponsored by the Town of Newmarket
and the Newmarket Environmental
Advisory Committee

IAN GRAY ENVIRONMENTAL AWARDS

The Ian Gray Environmental Awards consist of three \$500 start-up grants & one annual prize for a completed school project with an environmental focus.

Is your school considering an Environmental Project?

The Ian Gray Environmental Grants could provide your school with financial support to follow through on your environmental goals.

The Newmarket Environmental Advisory Committee (NEAC) invites all schools in Newmarket (public, catholic, private, K - 12) to submit an application for one of three \$500 GRANTS to be awarded in December.

The grants are available to support school projects that target current environmental issues in Newmarket, enhance environmental awareness and lead to a more sustainable community.

Grant Criteria

Grants will be awarded for projects that address a minimum of one of the following criteria.

- § Improving air quality
- § Reducing greenhouse gas emissions
- § Conserving water
- § Managing waste by recycling, composting, or reducing
- § Using energy wisely
- § Improving biodiversity of wetlands, rivers or school grounds

In addition, projects will be evaluated on the following:

- § Clear benefit to the community
- § Contains long term, sustainable vision
- § Unique and innovative ideas

Has your school completed an environmental project that merits recognition?

The Ian Gray Environmental Award is an annual prize meant to recognize a completed project.

The Newmarket Environmental Advisory Committee (NEAC) invites all schools in Newmarket (public, catholic, private, K - 12) to submit an application for a \$500 PRIZE to be presented during a formal ceremony in the Town Council chambers in June.

Applicants for the annual prize must clearly document their project and its benefits to the environment in Newmarket.
