## **PART A – THE PREAMBLE**

### **1. PURPOSE OF THE AMENDMENT**

The purpose of this amendment is to enable the Town to participate in Community Improvement Plans in partnership with the Regional Municipality of York.

### **2. LOCATION**

As a general policy of the Official Plan, this amendment applies to the entire Town of Newmarket.

### **3. BASIS OF THE AMENDMENT**

The *Planning Act* has long provided for the ability for municipalities to adopt Community Improvement Plans. Community Improvement Plans allow municipal councils to determine that improvement within a designated community improvement project area is desirable because of “age, dilapidation, overcrowding, faulty arrangement, unsuitability of buildings or for any other environmental, social or community economic development reason”, as set out in subsection 28(1) of the *Planning Act*. Community Improvement Plans provide additional tools for municipalities to develop policies and programs such as acquiring and selling land, rehabilitating or constructing buildings, providing grants or loans, and other activities based on their own local needs and opportunities to bring about change and growth.

In 2006 the *Planning and Conservation Land Statute Law Amendment Act* came into force which made amendments to the *Planning Act*. This included the addition of the power for upper-tier municipalities to employ Community Improvement Plans for certain prescribed matters. The amendment also added the ability and for lower- and upper-tier municipalities to participate in the programs of one another’s Community Improvement Plans through making grants and loans to one another. In order to participate in the programs of the other tier’s Community Improvement Plans, the *Planning Act* requires that the Official Plan of the municipality contain policies related to such participation. This amendment adds such a policy to the Town’s Official Plan, which then permits Newmarket Council with the option to participate in any Regional Community Improvement Plan.
