LSRCA Watershed Development Guidelines

The Lake Simcoe Region Conservation Authority (LSRCA) is currently undertaking a comprehensive review of our Watershed Development Guidelines. The purpose of these Information Centres is to receive input on the revised Guidelines.

Draft #1 of the LSRCA's Watershed Development Guidelines were posted on the Authority's Website on July 21, 2014 for 60 days. LSRCA's member municipalities, neighboring conservation authorities and a variety of stakeholders were provided with a notice of Public Consultation associated with the Authority's Watershed Development Guidelines. The comments received have been reviewed and where appropriate, incorporated into the document. This revised draft (#2) has posted on the LSRCA Website for an additional 60 day review period, which will end on February 28, 2015.
