Re: Residential Rental Permissions

Dear Mayor Taylor,

Further to your comments at the Committee of the Whole meeting June 17, 2019 I can hereby confirm our intent to convene a meeting with you to discuss the framework for a community benefits contribution resulting from the addition of residential rental permissions. This normally takes place at the time of zoning approval but we are available at your convenience

We will meet again with Mr. Rick Farrell to continue discussions on how we can assist York Housing with its supply mandate. It is our intention to have affordable rents and coordinate some of the units for the use of York Housing.

We look forward to a final Council adoption and working toward subsequent York Region approval.

Many thanks to you and your Council for your unanimous support at the Committee of the Whole.

Sincerely,
