Subject: Deputation Request

Good afternoon Andrew.

It is unfortunate that I wasn't permitted the extra time to speak today. This means that I will have to return at the next council meeting. As per the last time that I spoke about the code of conduct, I will be asking my children to speak to council in order to be permitted enough time to speak to the issue.

Please allot 5 minutes to each:

John Blommestejn
Jack Blommestejn
Alexander Blommestejn
Nicolas Blommestejn

We will be speaking to:

- 1) Declaring pecuniary interest by Councillor Vegh. I can provide council with a copy of the agreement to purchase 366 Silken Laumann Drive so it can be included in the next council meeting agenda.
- 2) Evidence not permitted by the integrity commissioner. Again, if you would like copies of this evidence to be included in the agenda materials for the context of the public, I can provide it.
- 3) I will talk about received benefits from the Children's Dream Charity (by name, Councillors Hempen and Broome Plumely as well as Mr. Taylor).

I am outlining the 3 items here in consideration that no member of council can complain that they did not receive appropriate warning.

At this point, I am predicting that 20 minutes will be sufficient to speak to our evidence but if it appears it will go longer, I will ask for help from another family member.
