**Subject:** Request for proclamation 7th April

Hello,

I would like my request for a proclamation to be considered to honor the Oncology Nurses at The Stronach Regional Cancer Centre, Newmarket to celebrate Oncology Nurses Day 7<sup>th</sup> April 2015.

I am responsible for arranging education dinners for the oncology nurses of our LHIN (Local Health Integrated Network) and have arranged an education dinner in honor of our nurses of the central LHIN on 9<sup>th</sup> April 2015 at which if approved we would like to present the certificate to them at that time.

Our oncology nurses of the LHIN are devoted to offering quality oncology care to patients living with cancer. They demonstrate excellence in the enhancement of nursing practice through continued and advanced education.

Cancer is a chronic illness with acute phases, which affects people at all stages of the life cycle.

Our oncology nurses have a key role not only as care givers but with patients and their families to educate in the prevention and treatment of cancer and are involved with the process of cancer care from prevention, detection, treatment, rehabilitation and palliative care.

I hope this request is successful as we need to recognize what wonderful people we have in oncology.

Please do not hesitate to contact me if you require anything further. I will be on vacation 27<sup>th</sup> March to 6<sup>th</sup> April 2015 inclusive I will be picking up emails intermittently.

Please advise of the process and how will I know if this request has been successful

Kind regards

*Sandra Reid*
