

Good evening,

I am a resident on best circle and Stonehaven. I'm quite concerned about the application of amending the official plan and refine the subject lands. The traffic is already bad on Stonehaven road closer to the Bayview side. I can't imagine when there are 142 townhouses + 60 houses more when is no extra road diverse the traffic. Please reconsider the decision and possibility of just having the Detached houses built.

Best regards,
Chunxiang Han
