Memorandum

Report 2021-20 Online and Telephone Voting in the 2022 Municipal Election

March 29, 2021

On March 22, 2021, Committee of the Whole directed Town Staff to implement a model of online voting for the 2022 Municipal Election. Staff were also directed to integrate limited opportunities for voters to use paper ballots during the voting period. Committee of the Whole recommended that phone voting be eliminated. The by-law attached with the March 29, 2021 Council agenda reflects these changes and direction.

There were also questions regarding the assistance provided in residences with primarily senior population, the below details the locations staff attended in 2014 and 2018 respectively:
