

Corporation of the Town of Newmarket

By-law 2021-XX

A By-Law to Regulate Central York Fire Services

Whereas Section 2 of the Fire Protection and Prevention Act requires every municipality to establish a program which must include public education with respect to fire safety and certain components of fire prevention and to provide such other fire protection services as it determines may be necessary in accordance with its needs and circumstances, and to appoint a community safety officer or team or establish a fire department to discharge its responsibilities; and,

Whereas Section 5 of the Fire Protection and Prevention Act provides that the Council of a municipality may establish, maintain and operate a fire department for the municipality and that the fire department shall provide fire suppression services and may provide other fire protection services; and,

Whereas Sections 8 and 11 of the Municipal Act authorize a municipality to provide any service that the municipality considers necessary or desirable for the public, and to pass by-laws respecting, inter alia, health, safety and well-being of persons, protection of persons and property, and services that the municipality is authorized to provide; and,

Whereas Section 391 of the Municipal Act authorizes a municipality to impose fees or charges on persons for services or activities provided by the municipality, and for costs payable by the municipality for services or activities provided or done by or on behalf of any other municipality; and,

Whereas Section 425 of the Municipal Act provides that the Council of a municipality may pass by-laws providing that a person who contravenes a by-law of the municipality is guilty of an offence; and,

Whereas Section 446 of the Municipal Act provides that if a municipality has the authority under that or any other act, or under a by-law under that or any other Act, to direct or require a person to do a matter or thing, the municipality may also provide that, in default of it being done by the person directed or required to do it, the matter or thing shall be done at the person's expense, and the municipality may recover the costs of doing a matter or thing from the person directed or required to do it by action or by adding the costs to the tax roll and collecting them in the same manner as property taxes; and,

Whereas the Council of the Town of Newmarket deems it desirable and necessary to amend and update its by-law to establish and regulate a fire department for the Town of Newmarket;

Now therefore, the Council of the Corporation of the Town of Newmarket hereby enacts as follows:

Establishment

2. A Fire Department for the Town of Newmarket to be known as the "Central York Fire Services" is hereby established, and the head of the Fire Department shall be known as the Fire Chief.

Department Structure

3. Council shall appoint a Fire Chief who shall be the highest-ranking Officer and director of the Fire Department.
4. In addition to the Fire Chief, Council shall appoint a Deputy Fire Chief who shall report to the Fire Chief as the second highest-ranking Officer of the Fire Department and who, in the absence of the Fire Chief, shall have the powers and perform the duties of the Fire Chief.
5. In addition to the Fire Chief and Deputy Fire Chief, the Fire Department shall consist of Fire Prevention Officers, Inspectors, Fire Safety Educators, Officers, and other Members deemed necessary by and appointed by the Fire Chief to provide Fire Protection Services.
6. The Fire Department shall be structured in conformance with the Approved Fire Department Organizational Chart as set out in

Schedule "A" attached hereto and forming part of this by-law.

Approved Services and Programs

7. The Fire Department shall provide such Fire Protection Services and programs as approved by Council in accordance with Part II of the Fire Protection and Prevention Act and set out in Schedule "B" attached hereto and forming part of this by-law.

Responses Outside the Limits of the Municipality

8. The Fire Department shall not respond outside the limits of the municipality except with respect to a fire, rescue or emergency:
 - (a) That, in the opinion of the Fire Chief or designate, threatens property in the municipality, or property situated outside the municipality that is owned or occupied by the municipality;
 - (b) In a municipality with which an Approved agreement has been entered into to provide fire protection services which may include automatic aid;
 - (c) On property with which an Approved agreement has been entered into with any person or corporation to provide fire protection services;
 - (d) At the discretion of the Fire Chief or designate, to a municipality authorized to participate in any county, district or regional mutual aid plan established by a fire coordinator appointed by the Fire Marshal or any other similar reciprocal plan or program; or
 - (e) On property beyond the municipal boundary where the Fire Chief or designate determines immediate action is necessary to preserve life or property and the appropriate department is notified to respond and assume command or establish alternative measures acceptable to the Fire Chief or designate.

Fire Chief Responsibilities and Authority

9. The Fire Chief shall be ultimately responsible to Council as set out in subsection 6(3) of the Fire Protection and Prevention Act for the proper administration and operation of the Fire Department, including delivery of Approved services and programs.
10. The Fire Chief shall be deemed to be the Chief Fire Official of the municipality for the purposes of the Fire Protection and Prevention Act and regulations enacted thereunder and shall have all statutory authority and shall carry out all prescribed duties and responsibilities in respect thereof.
11. Without limiting the generality of the foregoing, the Fire Chief shall be authorized and responsible for:
 - (a) Performing all statutory duties of the Fire Protection and Prevention Act, the Emergency Management and Civil Protection Act and any other legislation applicable to the

administration or operation of the Fire Department.

- (b) Reporting to Council as required by the Fire Protection and Prevention Act and the Emergency Management and Civil Protection Act.
- (c) Enforcement of this by-law and any regulations established under this by-law, and the enforcement of any other by-laws of the Corporation respecting the administration and operation of the Fire Department.
- (d) Periodically reviewing this by-law and any other by-laws of the Corporation respecting the administration and operation of the Fire Department, and the Fire Chief may establish an advisory committee consisting of such Members of the Fire Department and other persons, possibly including members of the general public, as may be necessary from time to time to assist in discharging this duty.
- (e) Recommending to Council amendments to this by-law and any other by-law of the Corporation that the Fire Chief considers relevant.
- (f) Developing, establishing, and implementing policies, standard operating procedures and guidelines, general orders and department rules, and other measures, as the Fire Chief may consider necessary for the proper administration and efficient operation of the Fire Department.
- (g) Periodically reviewing, revising, or revoking as required, all policies, standard operating procedures and guidelines, general orders, and rules of the Fire Department, and the Fire Chief may establish an advisory committee from time to time to assist in discharging these duties.
- (h) Arranging for the provision and allotment of strategic staffing and proper facilities, apparatus, equipment, materials, services and supplies for the Fire Department.
- (i) The proper care and protection of all Fire Department property.
- (j) Arranging and implementation of automatic aid, mutual aid and other negotiated and/or approved fire protection and emergency service agreements between the Town and other municipalities.
- (k) Determining and establishing the qualifications and criteria for employment or appointment, and the duties and responsibilities of all Members of the Fire Department.
- (l) Appointment, subject to Approved hiring policies, of any qualified person as a Member of the Fire Department.
- (m) The conduct and discipline of all Members of the Fire Department, including disciplinary actions, which may range from reprimand to dismissal.
- (n) Keeping an accurate record of all incidents responded to by the Fire Department, all fire safety inspections and fire investigations, and other such records as may be required in a manner consistent with records management policies of the Corporation, and retaining such records as prescribed by records retention policies and statutory requirements.

- (o) Enforcement of the Fire Code, reporting all fires to the Fire Marshal, and complying with all Fire Marshal's directives as mandated by the Fire Protection and Prevention Act.
 - (p) Reporting to the appropriate Crown Attorney or other prosecutor, or law enforcement or other officer, the facts upon the evidence in any case in which there is reason to believe that a fire has been the result of criminal intent or negligence, or in which there is reason to believe that an offence has been committed under the Fire Protection and Prevention Act, or other applicable regulation or statute.
 - (q) Preparing and presenting annual reports and periodic reports to Council as deemed necessary by the Fire Chief and any other specific reports as directed by Council.
 - (r) Preparing and submitting annual budget estimates for approval by Council, and effectively administering, monitoring, and controlling the Fire Department operating and capital budgets.
12. The Fire Chief shall be responsible for coordinating the Town of Newmarket Emergency Management Program, and assisting with the preparation, implementation, and maintenance of the municipal Emergency Plan pursuant to the Emergency Management and Civil Protection Act.
13. The Fire Chief shall be responsible for assisting other public officials in an emergency declared by the Head of Council, the Premier of Ontario, or the Prime Minister of Canada.

Powers

14. The Fire Chief shall exercise all powers and duties prescribed by the Fire Protection and Prevention Act and shall be empowered to take all reasonable and proper measures for the prevention, control, and extinguishment of fires, and for the protection of life, property and the environment, and for the management of emergencies within the jurisdiction of the municipality.
15. Without limiting the generality of the foregoing, the Fire Chief and his/her designates shall be empowered and authorized to carry out the following:
- (a) Enforcement of all municipal by-laws in respect of fire safety and fire prevention.
 - (b) Pulling down or demolishing any building or structure when necessary to prevent the spread of fire.
 - (c) Any necessary action to guard against fire or other danger, risk, or accident, which may include boarding up or barricading of buildings or property, when unable to contact the owner of the property.
 - (d) Recovery of costs incurred by such necessary actions for the Corporation in a manner provided by the Municipal Act and the Fire Protection and Prevention Act.
 - (e) Taking any and all steps as set out in Parts V, VI and VII of the Fire Protection and Prevention Act.

16. As set out in the Fire Protection and Prevention Act, the Fire Chief may delegate any of his/her powers or duties to the Deputy Fire Chief or any Officer or Member that the Fire Chief deems appropriate, subject to such limitations, restrictions or conditions as may be set out in the delegation, and such Officer or Member so delegated shall have all the powers and shall perform all duties as delegated.

Recovery of Costs

17. If as the result of a Fire Department response to a fire, rescue, or other emergency, the Fire Chief, his or her designate, or the highest ranking Officer in charge determines that it is necessary to retain a private contractor, rent special equipment, or use consumable materials other than water in order to suppress or extinguish a fire, preserve property, prevent a fire from spreading, remove hazardous materials, assist in or otherwise conduct an investigation to determine the cause of a fire, or otherwise control or eliminate an emergency situation, the Corporation shall recover the costs incurred by the Fire Department for taking such actions from the owners of the property or vehicle as the case may be.
18. The Corporation may recover costs incurred by such necessary actions in a manner provided by the Municipal Act and the Fire Protection and Prevention Act in accordance with the fees prescribed by the applicable Fees and Charges By-law of the Corporation from time to time.
19. A fee imposed upon a person under this by-law, including any interest, penalty charges and costs of collection, constitutes a debt of the person to the Corporation, and a person who is charged a fee under this by-law and fails to pay the fee within thirty days of receipt of an invoice shall be charged interest in accordance with the applicable Fees and Charges By-law of the Corporation.
20. If a property owner who is charged a fee under this by-law fails to pay the fee within ninety days of receipt of an invoice, the Corporation may add the fee, including penalty and interest, to the tax roll for any real property in the Town of Newmarket registered in the name of the owner and collect the fee, including penalty and interest, in like manner as municipal taxes.
