

**Townhouses on Main Street expansion**

I do not live in Newmarket, but I am in Holland Landing and I drive down Main Street daily. I saw the sign for these new Townhouses and you usually allow at least 2 cars per Unit. As Main street is busy and a 2 land road, I believe these is going to cause more traffic problems for cars/buses going up and down the street and also the line-up to make a left hand turn at Main and Davis is bad enough now.

Thanks for listening

Mary Holliday
