## Memorandum

### **2022 Fees and Charges – Legislative Services General Fees**

December 13, 2021

At Council's meeting on October 12, 2021, the Director of Financial Services/Treasurer was provided with delegated authority to approve an increase to fees and charges on Ancillary and Major Revenue sources up to the lesser of the rate of Inflation or 2.5%. The fees and charges reflected through this delegated authority were presented to Council at their meeting on November 22, 2021 and the appropriate by-laws were enacted.

The Legislative Services General Fees By-law 2021-56 included the Ontario Land Tribunal Appeal Fee which increased from \$173 to \$500 year over year, equaling greater than the delegated authority of 2.5%. This fee was included in error.

Council may amend By-law 2021-56 to reflect a new fee for the Ontario Land Tribunal Appeal, or the current approved fee will come into full force and effect on January 1, 2022.
