## By-law 2021-68

A By-law to adopt Fees and Charges for Services or Activities Provided by the Town of Newmarket for the following (Building Permit Fees)

Whereas the Municipal Act, 2001 authorizes a municipality to enact by-laws imposing fees or charges for services or activities provided or done by or on behalf of it; and,

Therefore be it enacted by the Municipal Council of the Corporation of the Town of Newmarket as follows:

That the attached appendix of By-law 2021-68 be enacted; and,

That should any section of this by-law be declared invalid by a court of competent jurisdiction, such section shall be construed as being severed here from and the remainder of the by-law shall continue in full force and effect; and

That notwithstanding fees and charges prescribed by other legislation, By-law 2021-68 supersedes all other fees and charges previously established by the Town of Newmarket for the services identified in this by-law; and,

For the purposes of such, the prescribed rate of inflation is defined to be the lessor of 2.5% and the target rate established by Council as part of their budget direction. The target rate will be the annual increase in the Consumer Price Index (CPI) for Toronto at the end of March, but will be subject to Council review and approval. There is one exception to this restriction; for low dollar fees that for practical reasons are best subject to increases every few years and not annually. For such items, the increase would be limited not the prescribed rate of inflation, but by the accumulated inflation since the last rate adjustment.

That this by-law shall come into full force and effect on January 1, 2022.

Enacted this 13<sup>th</sup> day of December, 2021.

John Taylor, Mayor

Lisa Lyons, Town Clerk
