**Re: 180 Main Street South – Minor Variance Application File Number MV-2022-001**

Dear Devon,

On behalf of the board at the Newmarket Co-operative Nursery School, which is a neighbour to 180 Main Street South, I am writing to you today to provide our support for this proposed redevelopment.

We believe this hotel will be a welcomed fit in our community and look forward to seeing this project move along.

Warm Regards,

Amanda Halls, President
