180 Main Street South – Minor Variance Application File Number MV-2022-001

Dear Devon,

Please accept this letter of support for the minor variance application at 180 Main Street South.

Trinity United Church is a neighbour to 180 Main Street South, with our church being directly across Park Avenue. We have met with the applicant to discuss their plans and we are happy to note we are in support for their proposed redevelopment.

If you have any questions, please do not hesitate to reach out.

Sincerely,

Rev. Linda Wheler
