

Church Street Parking Review

To Whom it may concern,

We have received our letter, regarding the Church Street Parking Review. We are in agreement to the proposed bylaw amendments of parking on the west side of church st., between south side of park avenue to the north side of botsford st., Monday to Friday 8am to 5 pm for 2 hours.

However, we would also like council to consider and agree upon having weekend parking on the above mentioned street, as well as, overnight parking when overnight parking is permitted.

Thank you so much.

Kind regards,

Rick and Sandy Brown
