# OUR PROCESS SO FAR

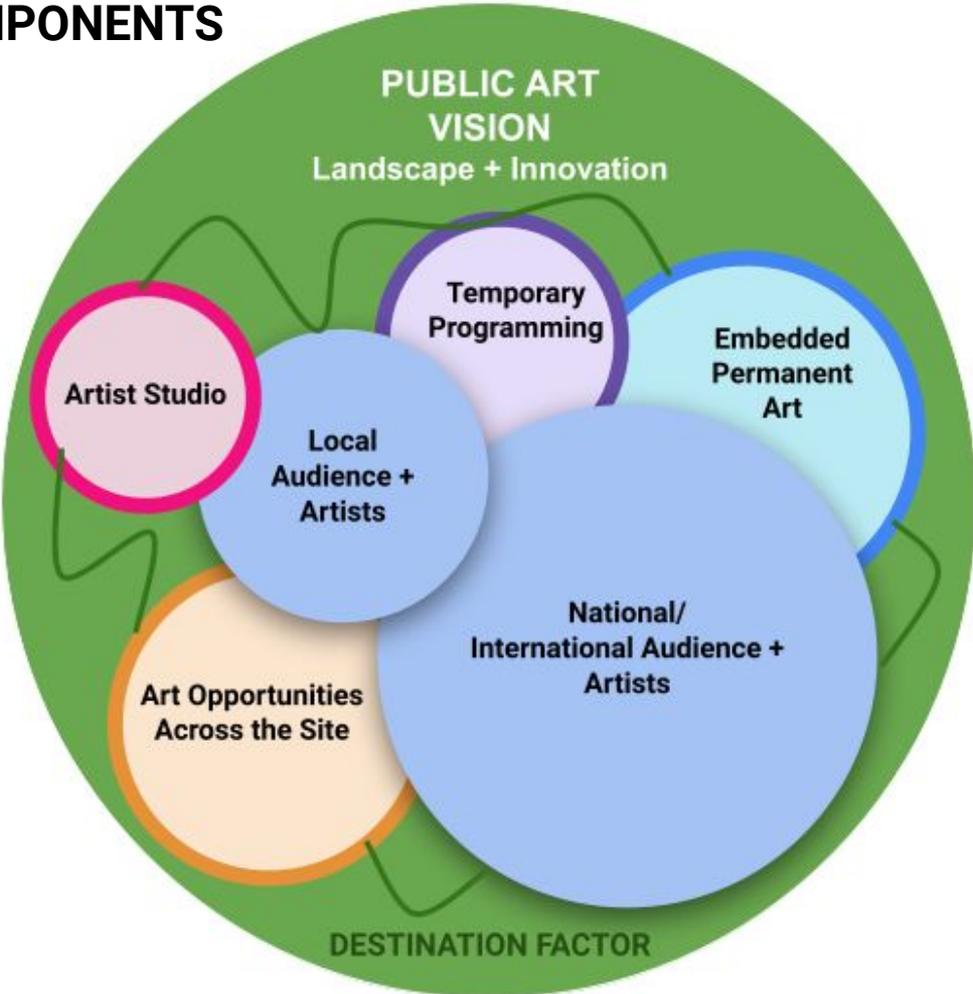

### **3.1 PROGRAM VISION**

**Public Art at Mulock Park celebrates the landscape through a lens of innovation to highlight stories across past, present and future that expand our understanding of nature and our relationship to the land.**

## 3.2 GUIDING PRINCIPLES

1. Create a dynamic program that focuses on the landscape
2. Embed innovation in the program approach
3. Art supports the site's destination factor
4. Connect with the local community through an artist-in-residence program
5. Bring together a mix of local, regional and international artists

# 4.1 PROGRAM COMPONENTS

## 4.2 PUBLIC ART PROGRAM MAP

Working with PLANT Architect Inc. we have identified key sites for the 4 program components:
