RE: Exemption from Noise By-Law for an event

Dear Mayor Van Bynen and Members of Council:

I'm writing to you as the Fundraising Coordinator for the Canadian Cancer Society Holland River Unit.

I am asking for an exemption to the Noise By-Law for our 2014 Relay for Life event, June 20th 7pm to June 21st 7am, at Pickering College.

I am writing to ask you to grant us permission to play music all night long. For the past nine years, we have held this successful fundraising event at Pickering College.

Music is very important to the event as it helps keep our participants motivated and provides them with entertainment throughout the 12-hour event.

As always, we will do our best to ensure we do not disturb the neighbours of the college. We believe that Relay for Life is an important event. It will benefit the community at large as the funds that are raised in our community, stay in our community to support many services and educational initiatives.

Thank you for your support.

Sincerely,

Karen Beaulieu
Fundraising Coordinator
