a) THAT the correspondence from Mr. Jason Hagan, LAS Program Manager, Association of Municipalities of Ontario requesting support of resolution regarding 'Prudent Investor Standard' be received and the following recommendations be adopted:

i) WHEREAS municipalities are required to invest their reserves in accordance with the Municipal Act, 2001 and Ontario Regulation 438/97 (as amended), which specifically outlines allowable investments;

ii) AND WHEREAS to ensure the sustainability and sound stewardship of the municipality's investments, the municipality is of the opinion that changes should be made to the Municipal Act, 2001 and Ontario Regulation 438/97 (as amended), to allow for the prudent investment of reserves, if those investments are professionally managed and part of a broader investment strategy;

iii) AND WHEREAS the Prudent Investor Standard is an industry accepted best practice in effectively managing a portfolio of investments, and the Standard applies to investments, not in isolation, but in the context of the portfolio of investments and as part of an overall strategy, that should incorporate acceptable risk and return objectives suitable to the stakeholders;

iv) AND WHEREAS the Province is conferring "Prudent Investor" status on the City of Toronto to enable greater diversification in portfolio management;

v) AND WHEREAS the Association of Municipalities of Ontario (AMO), Local Authority Services (LAS), and the Municipal Finance Officers Association of Ontario (MFOA), have long requested that the Prudent Investor Standard apply to all municipal investments that are invested with The One Investment Program;

vi) AND WHEREAS in 2005, municipalities were granted the ability to invest in longer-term corporate bonds and Canadian equity investments via only the One Investment Program, and the One Investment Program has demonstrated strong investment returns for municipalities within these 'new' investment sectors;

vii) AND WHEREAS the institutional portfolio managers utilized by the One Investment Program recommend that the Prudent Investor Standard approach is a more appropriate approach to investing;

viii) AND WHEREAS operating municipal investments under the Prudent Investor Standard is precluded by the Municipal Act, Eligible Investments, in its current form;

ix) THEREFORE BE IT RESOLVED THAT Council support the request of AMO, LAS, and MFOA to amend Ontario Regulation 438/97 (as amended) of the Municipal Act, 2001, to allow municipalities to invest consistent with the Prudent Investor Standard, if such investments are through the One Investment Program.

Public Hearing Matters

The Deputy Clerk welcomed the public to the Committee of the Whole meeting. She advised that the *Planning Act* requires the Town to hold at least one Public Meeting on any proposed Official Plan Amendment, Zoning By-law Amendment and Proposed Draft Plan of Subdivision.

The Deputy Clerk advised that the purpose of the meeting was to hear from anyone who has an interest in the Applications for Official Plan Amendment and Zoning By-law Amendment related to the lands located on the east side of Harry Walker Parkway South, north of Mulock Drive, municipally know as 429 and 445 Harry Walker Parkway South to permit outdoor storage to facilitate a Region of York snow management facility and a parking reduction for a proposed future York Regional Police station and also related to the lands located on the southeast corner of Eagle Street and Cawthra Boulevard, municipally known as 260 Eagle Street to permit a 6 storey apartment building consisting of 124 rental units.

She further advised that the Committee of the Whole would not be making a decision regarding the proposed amendments, but would refer all written and verbal comments to Planning Staff to consider in a report that will be brought forward to a future Committee of the Whole or Council meeting.

The Deputy Clerk advised that if anyone present wished to be notified of subsequent meetings, or if making a presentation, to please complete a form with your name and address and submit it to the Clerk's staff.

The Deputy Clerk noted that in accordance with the *Planning Act*, the Ontario Municipal Board may dismiss an appeal without holding a hearing, if the appellant failed to make either oral submission at the Public Meeting or provide written submissions to Council prior to adoption.

She thanked everyone for their participation and interest in the meeting.

30. Development and Infrastructure Services Report - Planning and Building Services Report 2016-08 dated February 11, 2016 and related Council Extract, Public Meeting Notice regarding Application for Official Plan Amendment and Zoning By-law Amendment - 429 and 445 Harry Walker Parkway South.
31. Ms. Lauren Capilongo, Malone Given Parsons Ltd. addressed the Committee regarding an application by the Regional Municipality of York related to 429/445 Harry Walker Parkway and provided an overview of the proposed site plan and uses, being a York Regional Police station and associated office uses and a snow management facility. An EMS station is proposed as part of a separate application. She summarized the snow melt water management plans and the justification for the official plan and zoning by-law amendments.

32. Development and Infrastructure Services Report - Planning and Building Services Report 2016-04 dated January 21, 2016 and related Council Extract, Public Meeting Notice regarding Application for Official Plan and Zoning By-law Amendment - 260 Eagle Street.
33. Mr. Brad Rogers, Groundswell Urban Planners addressed the Committee regarding an application by Oxford Developments related to 260 Eagle Street and provided an overview of the proposed site plan and uses, being a 6 storey apartment building consisting of 124 rental units. He summarized the surrounding land uses, proposed concept plan and development application.
34. Mr. Mike Roberts, resident, Rogers Road, expressed concern about the proposal, increased traffic on Eagle Street and the existing residential area and questioned whether the school board has been consulted on the application.
35. Mr. Mark Smith, resident, Cawthra Boulevard, commented that the proposed building will stand out as an eyesore in the community and overlook existing backyards. He further expressed concern over increased traffic on Cawthra Boulevard.
36. Mr. John Williams, resident, Rogers Road, expressed strong opposition to the proposal and concerns related to increased traffic and potential crime associated with the rental building and related declines in property value.
37. Ms. Annabel Arnison, resident, Andrew Street, commented that the proposed lighting will impede her ability to see fireflies in her backyard at night and may disrupt the bird habitat. She further expressed her opinion that the proposal is not complimentary to the existing residential community.
38. Mr. Paul Thorner, resident, Andrew Street, suggested that other areas of town would better support rental development and that a six storey building, in his opinion, is not complimentary to the existing residential community.

39. Mr. Don Jennett, resident, Andrew Street, questioned why the proposal is being considered at that particular location as, in his opinion, it would be better suited to another area of the town. He further expressed concern related to potential increased traffic in the area that would result from the proposal.
40. Ms. Theresa Cressatti, resident, Roywood Crescent, expressed concern related to current traffic in the area and the potential increase that would result from the proposal and her preference for a one to two storey building in the area.
41. Ms. Valerie Luttrell, resident, Towercrest Drive, suggested that the development should be proportionate to the neighbourhood.
42. Mr. Andrew Lundy, resident, Andrew Street, purchased his home because it is a safe and quiet area and expressed concern that the security of his family may be compromised.
43. Mr. Alex Stevenson, resident, Andrew Street, advised that he attended to receive information about the application and suggested that, in his opinion, the proposed development will not cater to families due to the proposed unit sizes.
44. Mayor Van Bynen advised of the correspondence that has been received to date related to the subject application.
44. Councillor Sponga queried staff related to angular plane provisions in the Secondary Plan and clarified concerns related to assumed crime.
45. The Director of Planning and Building Services advised of the next steps, being an analysis of all comments received and further report to Committee of the Whole, which is not anticipated sooner than May, 2016 after which a determination will be made by Council. He further advised that any additional comments can be forwarded to planning@newmarket.ca
