Dear Mayor Van Bynen:

**Re: National Day of Mourning**

Since 1991, April 28th has been recognized nationally as the Day of Mourning. I am writing to ask that the Town of Newmarket, again, commemorate this National Day. The Labour Council is requesting that the Town:

1. Officially proclaim Thursday, April 28<sup>th</sup> as a "Day of Mourning" for workers killed or injured on the job".
2. Publicize the proclamation as widely as possible.
3. Lower the Town's flags to half-mast.

Yours truly,

John Cartwright  
 President
