Subject: RE: Howard Road Meeting today

Thank you kindly. I have a work meeting and it may be difficult to join but I very much would like to express my concerns if possible.

On a quick note, the built and lot division changes our neighbourhood, we bought here 9 years ago for the neighbourhood. We lived one street over for 5 years and waited for the right moment to move. During the last build, that took an extremely long time to complete there were many issues with the builder. There were always cars/trucks parked on both sides of the road, dirt/sand etc piles left uncovered and they did not clean up. Their garage from building materials were constantly blowing in my driveway for duration of the build, which seemed longer than it should have taken. One morning I went to leave for work and there was a truck and float 100% blocking my driveway. This builder has no respect for the neighbours on the street.

We do not want a 'concrete' street, our homes all have character, mature trees and a certain spacing, we want to maintain this!

Thank you kindly again for your time, I'm very much hope to join but it will depend on my meetings.

With thanks,

Kim
