Consolidated Financial Statements of

# THE CORPORATION OF THE TOWN OF NEWMARKET

And Independent Auditor's Report thereon

Year ended December 31, 2022

# INDEPENDENT AUDITOR'S REPORT

To the Members of Council of The Corporation of the Town of Newmarket

# **Opinion**

We have audited the consolidated financial statements of The Corporation of the Town of Newmarket (the Entity), which comprise:

- the consolidated statement of financial position as at December 31, 2022
- the consolidated statement of operations and accumulated surplus for the year then ended
- the consolidated statement of change in net financial assets
- the consolidated statement of cash flows for the year then ended
- and notes to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at December 31, 2022, and its consolidated results of operations, its consolidated changes in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

# Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# Other Matter - Comparative Information

The consolidated financial statements for the year ended and of December 31, 2021, were audited by another auditor who expressed an unmodified opinion on these consolidated financials on June 27, 2022.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

# Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

#### We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
  - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other
  matters, the planned scope and timing of the audit and significant audit findings,
  including any significant deficiencies in internal control that we identify during our
  audit.

**DRAFT** Notes to Consolidated Financial Statements

Year ended December 31, 2022

The Town of Newmarket is a municipality in the Province of Ontario, Canada. It conducts its operations guided by the provisions of provincial statutes such as the Municipal Act, Municipal Affairs Act, and related legislation.

# 1. Significant accounting policies:

The consolidated financial statements ("the financial statements") of the Corporation of the Town of Newmarket (the "Town") are the representation of management prepared in accordance with generally accepted accounting standards for local governments as recommended by the Canadian Public Sector Accounting Board ("PSAB") of Chartered Professional Accountants of Canada ("CPA Canada").

Significant accounting policies adopted by the Town are as follows:

#### (a) Basis of presentation:

#### (i) Reporting entity:

These consolidated financial statements reflect the financial assets, liabilities, operating revenues, and expenses of the Town. The reporting entity is comprised of all organizations, local boards, and committees accountable for the administration of their financial affairs and resources, to the Town, and which are owned or controlled by the Town. The Newmarket Public Library and the Main Street District Business Improvement Area are accordingly consolidated in these financial statements. All material inter-organizational transactions and balances have been eliminated on consolidation.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 1. Significant accounting policies (continued):

# (ii) Investment in Newmarket Hydro Holdings Inc.:

The Town's investment in Newmarket Hydro Holdings Inc. is accounted for on a modified equity basis, consistent with Canadian public sector accounting standards ("PSAS") for investments in government business enterprises. Under the modified equity basis of accounting, the business enterprise's accounting principles are not adjusted to conform with those of the municipality and inter-organizational transactions and balances are not eliminated. The Town recognizes its equity interest in the annual income or loss of Newmarket Hydro Holdings Inc. in its consolidated statement of operations and accumulated surplus with a corresponding increase or decrease in its investment asset account. Any dividends that the Town may receive from Newmarket Hydro Holdings Inc. will be reflected as reductions in the investment asset account.

# (iii) Accounting for Region of York and school board transactions:

The operations of the school boards and the Region of York are not reflected in the Town's financial statements except to record any resulting receivable or payable balance with the Town at year-end.

#### (b) Basis of accounting:

#### (i) Accrual basis of accounting:

Revenue and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as they are earned and measurable; expenses are recognized in the period goods and services are acquired and a liability is incurred, or transfers are due.

#### (ii) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year, and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenue over expenses, provides the change in net financial assets for the year.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 1. Significant accounting policies (continued):

# (a) Tangible capital assets:

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development, or betterment of an asset. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

| Land improvements Buildings and building components Vehicles Machinery and equipment, including pooled assets Library collection Linear assets: | 20 - 40 years<br>20 - 40 years<br>4 - 20 years<br>3 - 20 years<br>7 years             |
|---|---|
| Road base Road paved surface Sewer Watermain Sidewalks Trails and walkways Bridges and structures   | 40 years<br>20 years<br>80 years<br>80 years<br>25 years<br>25 years<br>25 - 75 years |

Tangible capital assets are amortized in the month following the purchase or inservice date. One half of the annual amortization is charged in the year of acquisition for pooled assets. Assets under construction are not amortized until the tangible capital asset is available for productive use, at which time they are capitalized.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 1. Significant accounting policies (continued):

# (b) Contribution of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt, and that fair value is also recorded as revenue.

# (c) Interest capitalization:

Interest is capitalized whenever external debt is issued to finance the construction of tangible capital assets.

# (d) Leases:

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

#### (e) Inventories:

Inventories held for consumption are recorded at the lower of cost and net recoverable value. Inventories held for resale are recorded at the lower of cost and net realizable value.

#### (iii) Surplus land:

The carrying value of the surplus land is based on purchase and development costs and does not reflect any gain that may arise if the land sells for more than the carrying value.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 1. Significant accounting policies (continued):

#### (iv) Liability for contaminated sites:

A contaminated site is a site at which substances occur in concentration that exceed the maximum acceptable amounts under an environmental standard. Sites that are currently in productive use are only considered a contaminated site if an unexpected event results in contamination. A liability for remediation of contaminated sites is recognized when the Town is directly responsible or accepts responsibility; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability includes all costs directly attributable to remediation activities including post-remediation operations, maintenance, and monitoring. The liability is recorded net of any expected recoveries.

#### (v) Deferred revenue:

Deferred revenues include user charges, government transfers, development charges and other fees which have been collected but for which the related services have yet to be performed. These amounts will be recognized as revenues in the fiscal year the services are performed. The Town receives development charges under the authority of provincial legislation and Town by-laws. These funds, by their nature, are restricted in their use and, until applied to specific capital works, are recorded as deferred revenue. Amounts applied to qualifying capital projects are recorded as revenue in the fiscal period they are expended. See note 14 for more details.

#### (vi) Employee future benefits:

The present value of the cost of providing employees with future benefit programs is expensed as employees earn these entitlements through service. The cost of the benefits earned by employees is actuarially determined using the projected benefit method prorated on service and management's best estimate of retirement ages of employees and expected health care and dental costs. Vacation entitlements are accrued for as entitlements are earned.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 1. Significant accounting policies (continued):

#### (vii) Long-term disability benefits:

The present value of the cost of providing employees with future long-term disability income benefits is expensed as employees earn these entitlements. The cost of the benefits earned by employees is actuarially determined using the projected benefit method for currently disabled employees. Actuarial gains and losses arising in a year are amortized into future years' expenses over the average expected period during which benefits will be paid.

# (viii) Pension plan:

The Town is an employer member of the Ontario Municipal Employees Retirement System ("OMERS"), which is a multi-employer, defined benefit pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of assets and administration of the benefits. The Town has adopted defined contribution plan accounting principles for this Plan because insufficient information is available to apply defined benefit plan accounting principles. The Town records as pension expense the amounts paid to OMERS during the year.

#### (ix) Revenue recognition:

#### (a) Taxes and user charges:

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. Taxes receivables are recognized net of an allowance for anticipated uncollectable amounts.

Charges for wastewater and water usage are recorded as user fees. Connection fee revenues are recognized when the connection has been established.

Sales of service and other revenue is recognized on an accrual basis.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 1. Significant accounting policies (continued):

### (b) Investment income:

Investment income earned is reported as revenue in the period earned. Investment income earned on unspent development charges and other obligatory reserve funds is added to the fund balance and forms part of the deferred revenue balance.

#### (c) Government transfers:

Government transfers include entitlements, transfers under shared cost agreements, and grants. Revenue is recognized when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

#### (x) Use of estimates:

The preparation of financial statements in conformity with Canadian PSAS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. The principal estimates used in the preparation of these financial statements include the useful life and valuation of tangible capital assets, allowance for doubtful receivables, certain accrued liabilities, employee future benefits liability and long-term disability benefits liability. Actual results could differ from these estimates.

# (xi) Budget figures:

Budget figures have been reclassified for the purposes of these financial statements to comply with PSAB reporting requirements. The approved operating budget and capital budgets are reflected on the consolidated statement of operations and accumulated surplus. The budgets established for capital investment in tangible capital assets are on a project-oriented basis, the costs of which may be carried out over one or more years and, therefore, may not be comparable with current year's actual amounts.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 2. Budget reconciliation:

The authority of Council is required before moneys can be spent by the Town. Approvals are given in the form of an annually approved budget. The budget approved by Council differs from the budget presented on consolidated statement of operations and accumulated surplus. The difference is due to several factors. The budget has also been adjusted to account for material changes due to PSAB reporting requirements.

|   | Revenue                    | Expenses                    |
|---|----------------------------|-----------------------------|
| Council approved budget for 2022:   |                            |                             |
| Operating fund - December 13, 2021  | \$ 141,273,937             | \$ 141,273,937              |
| Less: Principal payment on long-term debt Transfers to/from other funds                 | _<br>(1,663,218)           | (3,880,833)<br>(19,076,328) |
| Capital budget - December 13, 2021<br>Less transfers to/from other funds                | 31,478,550<br>(11,954,550) | 31,478,550<br>—             |

| Less tangible capital assets capitalized  |                            | (28,046,650)                |
| Plus: Budgeted amortization expense Post-employment benefit expenses                    |                            | 18,711,580<br>236,557       |
| Investment income from Newmarket Hydro Holdings Inc.                                    | 1,000,000                  | -                           |
| Budget as presented on the consolidated statement of operations and accumulated surplus | \$ 161,404,408             | \$ 140,696,813              |

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 3. Operations of school boards and the Region of York:

Further to note 1(a)(iii), taxation and revenues of the school boards and the Region of York are comprised of the following:

|  | School<br>boards | Region of<br>York |
|--|------------------|-------------------|
| Property taxes and taxation from other governments | \$<br>50,653,110 | \$<br>72,274,093  |

# 4. Cash and cash equivalents:

Cash is comprised of cash on hand and cash held in financial institutions. Management considers all highly liquid investments with original maturity of three months or less to be cash equivalents.

Cash is segregated as follows:

|  | 2022                        | 2021                        |
|--|-----------------------------|-----------------------------|
| Restricted - obligatory reserve funds (note 14) Designated - reserve funds (note 21) | \$ 54,683,349<br>91,595,733 | \$ 48,583,991<br>61,417,052 |
|  | 146,279,082                 | 110,001,043                 |

| Unrestricted and undesignated  | 59,478,951                  | 44,667,441                  |
|  | \$ 144,550,381              | \$ 110,635,858              |

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

#### 5. Investments:

(a) Temporary investments are recorded at the lower of cost and market value which are comprised of cash held in investment accounts and guaranteed investment certificates with maturities up to September 16, 2027, earning interest at annual rates ranging from 0.50% to 4.85% per annum.

|  | \$ 4,826,132              | \$ 3,556,002              |

#### (c) Loans receivable:

Interest free loans are awarded through the Community Improvement Plan's Financial Incentive Program to upgrade and restore properties within the Community Improvement Plan area. The loans are guaranteed by liens against the properties. The maximum repayment period is 10 years.

In 2020, development charges and fees were deferred under Phase I of a Site Plan agreement. In 2021, Phase II and III agreements deferred parkland contributions and 50% of other fees. The deferral for development charges is for 20 years after issuance of building permits for rental apartments, and 48 months for condo units. Deferral of other fees includes tree security, engineering, planning and finance fees for a deferral period of 48 months, and a 60-month deferral period for parkland contributions.

|  | \$<br>2,084,899                     | \$<br>2,051,246                     |

#### 8. Inventories:

Inventory for resale includes water meters to be sold to developers. Inventory included in non-financial assets is comprised of salt and sand used in winter control of area roads, as well as consumable items and parts used by Town staff.

# 9. Surplus land:

The Town owns three parcels of land that are declared surplus. One is for access to a storm water management pond with a carrying value of \$121,687, the other two small parcels of land is road allowance, with a cumulative carrying value of \$33,598.

# 10. Investment in Newmarket Hydro Holdings Inc.:

Newmarket Hydro Holdings Inc. established by municipal Council in October 2000, is wholly owned by the Corporation of the Town of Newmarket and provides regulated and unregulated services.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 10. Investment in Newmarket Hydro Holdings Inc. (continued):

Effective May 1, 2007 Newmarket Hydro Ltd. merged with Tay Hydro Electric Distribution Company Inc. to form Newmarket-Tay Power Distribution Ltd. Newmarket Hydro Holdings Inc. owns 93% of the outstanding common shares of Newmarket-Tay Power Distribution Ltd.

The financial statements of Newmarket Hydro Holdings Inc. (the "Corporation") have been prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board and interpretations of the International Financial Reporting Interpretations Committee.

Effective October 1, 2001, Newmarket Hydro Ltd. issued an unsecured promissory note in the amount of \$22,000,000 to the Town of Newmarket. On February 3, 2022, the \$22,000,000 promissory note was repaid to the Town of Newmarket in full.

The Town's investment in the Corporation at December 31, is as follows:

|  | 2022               | 2021                        |
|--|--------------------|-----------------------------|

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 11. Accounts payable and accrued liabilities:

Accounts payable and accrued liabilities to government entities includes water and wastewater charges, development charges, and capital expenditures.

|  | /// | 2022                                  | <br>2021                                    |
|--|-----|---------------------------------------|---|
| Government entities Payroll liabilities Trade payables and other accrued liabilities | \$  | 20,624,346<br>4,446,615<br>26,325,374 | \$<br>12,941,039<br>3,995,470<br>19,679,547 |
|  | \$  | 51,396,335                            | \$<br>36,616,056                            |

# 12. Employee future benefits liability:

The Town provides certain employee benefits that will require funding in future periods. Under the post-retirement benefit plan, employees may be entitled to a cash payment after they leave the Town's employment. An actuarial estimate of future liabilities for employee future benefits has been completed and forms the basis for the estimated liability reported in these consolidated financial statements.

|  | <br>2022                   | <br>2021                   |
|--|----------------------------|----------------------------|
| Employee future benefits liability<br>Vacation pay | \$<br>8,131,101<br>659,578 | \$<br>7,669,845<br>612,487 |
| <u>,                                      </u>     | \$<br>8,790,679            | \$<br>8,282,332            |

Employee future benefits are health and dental benefits that are provided to early retirees, future retirees, and employees currently on a long-term disability. The Town recognizes these post-retirement costs as they are earned during the employee's tenure of service. A benefit liability of \$8,131,101 was determined by the actuarial valuation carried out as at December 31, 2022, using a discount rate of 4.6%.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

#### 12. Employee future benefits liability (continued):

Total benefit payments to retirees during the year were \$284,244 (2021 - \$286,979). The plan is substantially unfunded and requires no contributions from employees. The benefit liability as at December 31 includes the following components:

|   | Walter of British and British | 2022   | <br>2021   |
|---|---|--|--|
| Accrued benefits obligation Unamortized actuarial losses  | \$  | 6,361,701<br>1,769,400                                 | \$<br>7,463,507<br>206,338                                   |
| Employee future benefits liability  | \$  | 8,131,101  | \$<br>7,669,845  |
| Employee future benefits liability, beginning of year<br>Annual amortization of actuarial losses<br>Current period service cost<br>Interest cost<br>Benefits paid | \$  | 7,669,845<br>17,300<br>508,000<br>220,200<br>(284,244) | \$<br>7,323,665<br>14,337<br>417,311<br>201,511<br>(286,979) |
| Employee future benefits liability, end of year   | \$  | 8,131,101  | \$<br>7,669,845  |

Actuarial valuations for accounting purposes are normally performed every three years using the projected benefit method prorated on services. The most recent actuarial report was prepared at December 31, 2022.

Effective October 30, 2019, eligible Central York Services employees who retire on or after January 2018 on an unreduced OMERS pension and with a minimum of 15 years of service will be provided with a non-cumulative HCSA from age 65 to 75. The combined maximum is \$2,500 per year for employee and spouse.

The assumptions used in the December 31, 2022 actuarial valuation were:

## (a) Interest (discount) rate:

The present value as at December 31, 2022 of the future benefits was determined using a discount rate of 4.60% (2021 - 2.80%).

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 12. Employee future benefits liability (continued):

# (b) Health costs:

Health cost premiums were assumed to increase at a 4.00% rate (2021 - 4.0%).

# (c) Dental costs:

Dental cost premiums were assumed to increase at a 4.00% rate (2021 - 4.88%).

# 13. Long-term disability benefits payable:

The Town provides disabled employees who meet the requirements for Long Term Disability ("LTD") monthly disability income, life insurance, health, and dental benefits. An actuarial valuation for currently disabled employees was completed as at December 31, 2022.

|  | 2022  | <br>2021   |
|--|---|--|
| Accrued benefits obligation Unamortized actuarial gains  | \$<br>8,038,356<br>(3,253,429)                                    | \$<br>6,049,996<br>(1,412,506)                                 |
| Long-term disability benefits payable  | \$<br>4,784,927   | \$<br>4,637,490  |
| Long-term disability benefits payable, beginning of year<br>Annual amortization of actuarial losses<br>Current period service cost<br>Interest cost<br>Benefits paid | \$<br>4,637,489<br>(216,722)<br>1,076,416<br>153,878<br>(866,134) | \$<br>4,539,602<br>(172,408)<br>681,058<br>98,092<br>(508,855) |
| Long-term disability benefits payable, end of year   | \$<br>4,784,927   | \$<br>4,637,489  |

Actuarial valuations for accounting purposes are performed every year using the projected benefit method. The most recent actuarial report was prepared at December 31, 2022. The unamortized actuarial gain will be amortized into future years' expenses over 5 years, the average expected period during which benefits will be paid.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

#### 13. Long-term disability benefits payable (continued):

The assumptions used in the December 31, 2022 actuarial valuation were:

(a) Interest (discount) rate:

The present value of the future benefits as at December 31, 2022 was determined using a discount rate of 5.0% (2021 - 2.5%).

(b) Health and dental costs:

Health trend rates are assumed to increase by 6.0% starting in 2024 and decrease by 0.10% per year to an ultimate rate of 4.5% per year. Dental cost premiums are assumed to increase by 4.5% per year starting in 2024.

#### 14. Deferred revenue:

Development Charges are levies against new development and are a primary source of funding growth-related capital facilities and infrastructure. Development charges are imposed on all lands, buildings or structures that are developed for residential or non-residential uses. These charges are payable by the developer on the issuance of a building permit, unless they are for town-wide engineering services, in which case they are payable upon registration of a subdivision agreement. Development charges are not recognized as revenue until the identified capital costs for growth are incurred.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 14. Deferred revenue (continued):

A requirement of PSAB is that obligatory reserve funds be reported as deferred revenue. This requirement is in place as provincial legislation restricts how these funds may be used and under certain circumstances how these funds may be refunded. Parkland contributions are restricted to parks or recreation purposes. The Building Canada Fund is restricted to infrastructure and requires annual reporting. The following Obligatory Reserve Funds have statutory restrictions and as such are classified as deferred revenue:

|   | Balance,<br>December 31,<br>2021                                   | Inflows  | Outflows  | Balance,<br>December 31,<br>2022                                 |
|---|--|--|---|--|
| Parkland Development charges Building permit fees Engineering administration Building Canada Fund | \$ 6,305,211<br>28,843,175<br>2,426,107<br>(480,624)<br>11,490,122 | \$ 739,224<br>12,628,999<br>31,717<br>1,880,843<br>2,881,290 | 250,000<br>7,806,103<br>577,680<br>775,055<br>2,653,877 | \$ 6,794,435<br>33,666,071<br>1,880,144<br>625,164<br>11,717,535 |

|  |        |                  | \$ | 33,984,039 | \$ | 37,864,872 |

(b) Principal repayments for each of the next five years and thereafter are due as follows:

| 2023                | \$ 4,074,965  |
|---------------------|---------------|
| 2024                | 4,279,095     |
| 2025                | 1,763,054     |
| 2026                | 1,836,923     |
| 2027                | 772,870       |
| 2028 and thereafter | 21,257,132    |
|                     | \$ 33,984,039 |

<sup>(</sup>c) Interest expense on long-term debt amounted to \$1,403,556 (2021 - \$1,591,708). Interest expense includes the net decrease in accrual amount of \$63,987 (2021 - \$60,437).

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

#### 16. Insurance coverage:

Claim costs incurred during the year amounted to \$50,572 (2021 - \$92,888).

Insurance premiums of \$1,782,134 (2021 - \$1,624,756) were expensed during the year on the consolidated statement of operations and accumulated surplus.

# 17. Contingencies:

The Town has been named as a defendant in certain legal actions. The outcome of these actions is not determinable as at the date of reporting and accordingly, no provision has been made in these consolidated financial statements for any liability which may arise.

#### 18. Lease agreements:

The Town has entered into lease agreements for vehicles, and parking lot rentals. The aggregate minimum payments under these leases over the next three years are as follows:

| 2023<br>2024<br>2025 |      | \$     | 123,553<br>12,822<br>8,548 |
|----------------------|------|--------|----------------------------|
|                      | <br> | <br>\$ | 144,923                    |

#### 19. Contractual obligations:

During the year, the Town performed work on several major projects relating to the construction, repair and replacement of certain facilities and infrastructure. The total purchase commitment from such contracts amounted to approximately \$46,790,000 (2021 - \$55,800,000), of which expenses of approximately \$25,468,000 (2021 - \$27,800,000) were outstanding as at December 31, 2022.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 19. Contractual obligations (continued):

The Town also entered into various multiple-year contracts for the delivery of services with respect to waste collection, snow plowing, infrastructure, and facility maintenance. The total purchase commitment from such contracts amounted to approximately \$44,192,000 (2021 - \$50,800,000), of which expenses of approximately \$21,967,000 (2021 - \$26,000,000) were outstanding as at December 31, 2022.

# 20. Pension agreements:

OMERS provides pension services to over 500,000 active and retired members from approximately 1,000 participating employers. Each year an independent actuary determines the funding status of OMERS Primary Pension Plan (the "Plan") by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted as at December 31, 2022. The results of this valuation disclosed total actuarial liabilities of \$128.8 billion in respect of benefits accrued for service with actuarial assets at that date of \$122.1 billion indicating an actuarial deficit of \$6.7 billion. Because OMERS is a multi-employer plan, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Town does not recognize any share of the OMERS pension surplus or deficit.

Contributions in 2022 ranged from 9% to 15.8% depending on the proposed retirement age and level of earnings. Contributions made by the Town to OMERS on account of current service for the year were \$4,927,168 (2021 - \$4,762,513).

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 21. Accumulated surplus:

Accumulated surplus comprises the following:

|   | 2022              | <br>2021          |

Year ended December 31, 2022

#### 22. Government transfers:

Government transfers include monetary transfers based on cost-sharing agreements between the three levels of government. Some funds are transferred when the Town provides evidence that the qualifying expenditures have been incurred. The Town also receives government transfers once certain criteria have been met or with the stipulation that the funds are used for specific programs or expenses (grants with stipulations). Any transfers received where the transfer stipulations have not been met by year-end are recorded as deferred revenue (note 14). Grants are also received to support specific program areas such as the Library, Museum, or the Seniors Centre. The following kinds of transfers were included in revenue:

|  | 2022 2021                 |
|--|---------------------------|
| Grants with stipulations<br>Other grants | \$ 2,653,877              |
|  | \$ 8,478,598 \$ 8,107,925 |

#### 23. Central York Fire Services:

Effective January 1, 2002, the Town of Newmarket entered into a Joint Venture Agreement with the Town of Aurora with respect to the provision of Fire and Emergency services. Under the Agreement, the Town of Newmarket assumed responsibility for the combined Central York Fire Services. The cost of these services is shared between the two municipalities based on a cost sharing formula.

|   | 2022                          | <br>2021                         |
|---|-------------------------------|----------------------------------|

| Newmarket's net allocation  | \$ 17,265,151                 | \$<br>16,830,093                 |

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 24. Tangible capital assets:

Schedule 1 provides information on the tangible capital assets of the Town by major asset category, as well as for accumulated amortization.

Tangible capital assets are segmented by asset class according to the Financial Information Return. General Capital Assets exclude the Infrastructure Asset class and include Parks, Recreation Facilities, and Fire. Infrastructure assets are composed of linear assets and their associated specific components, generally constructed, or arranged in a continuous and connected network. They include Roads, including bridges, and Environmental Infrastructure (water delivery systems, wastewater treatment, storm drainage systems).

(a) Tangible capital assets recognized at nominal value:

Certain assets have been assigned a nominal value because of the difficulty of determining a valuation. The most significant such asset is the land under the Town's roads which has been assigned a nominal value of one dollar per kilometer of road length. The road network has 254 kilometers (2021 - 251 kilometers).

(b) Capitalization of interest

No interest was capitalized in 2022 (2021 - nil).

(c) Construction in progress:

The financial statements and accompanying Schedule 1 include \$22,806,903 (2021 - \$19,765,276) of tangible assets that have not been amortized.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 24. Tangible capital assets (continued):

# (d) Contributed tangible capital assets:

Contributed tangible capital assets have been recognized at fair market value at the date of contribution. These assets are mainly in subdivisions assumed during the year.

|  | 2022  | <br>2021                                      |
|--|---|---|
| Linear assets Land donation Streetlights Storm Water Management Pond Buildings | \$<br>7,171,623<br>-<br>-<br>985,515<br>437,800 | \$<br>6,941,080<br>14,290,000<br>253,876<br>— |
|  | \$<br>8,594,938                                 | \$<br>21,484,956                              |

#### 25. Segmented information:

Certain allocation methodologies and accounting estimates are employed by the Town in the preparation of segmented financial information. Government grants, user charges, transfers from other funds, and other revenues are allocated to the specific program or service they relate to. Expense allocations are both internal and external. There is an external allocation to the Town of Aurora for its share of the costs of running Central York Fire Services (note 23). Activity based costing is used to allocate internal support costs to departments. These costs include the net expenses for departments, such as human resources, information systems, finance, and others, commonly referred to as overhead. Measures of activity, or drivers, are used to apportion the support costs.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in note 1.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 25. Segmented information (continued):

Schedule 2 - Service Bundles:

The Town's services and programs are grouped and reported based on a customer driven service bundle in Schedule 2. Revenues are reported by source, while expenses are reported by object. The Town determines an individual tax rate for each service to attain full cost recovery. Tax revenues are allocated according to the tax billing. Net revenues before financing include capital expenses, reserves, reserve funds and transfers. The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in note 1.

# (a) Fire & Emergency Services:

Central York Fire Services provides fire services to the residents of Newmarket and Aurora. They are responsible to provide fire suppression service, fire prevention programs, training and education related to prevention, detection, or extinguishment of fires. The cost of these services is shared between the two municipalities based on a cost sharing formula described in note 23.

#### (b) Water, Wastewater & Solid Waste:

The Town provides drinking water to its citizens and collects wastewater. The solid waste and recycling program includes curbside collection of recyclables, organics, yard waste and garbage.

# (c) By-law & Licensing Services:

The Town issues a variety of licenses including marriage, taxicab, and animal licenses. It ensures an acceptable quality of building construction and maintenance of properties through enforcement of construction codes, building standards and by-law for the protection of occupants. It facilitates economic development by providing services for the approval of all land development plans the application and enforcement of zoning by-laws and the processing of building permit applications.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 25. Segmented information (continued):

#### (d) Roads, Bridges & Sidewalks:

The Public Works and Environmental Services department is responsible for the cleanliness, safety and maintenance of the Town's paved roads, bridges, and sidewalks.

### (e) Planning & Development Services:

The Town creates plans for Newmarket's future. It manages urban development for business interests, environmental concerns, heritage matters, local neighbourhoods and the downtown through Town planning, community development, parks, and riverbank planning.

## (f) Community Programs & Events:

The Town provides public services that contribute to neighbourhood development and sustainability through the provision of recreation and leisure services such as fitness and aquatic programs. It also hosts community special events throughout the year.

#### (g) Facilities, Parks & Trails:

The Town maintains numerous recreation facilities, as well as indoor community space for booking and community use. It also maintains parks and playgrounds, open spaces, and a vast trail system.

# (h) Corporate Support & Governance:

The Town Council, the Office of the CAO, Legal and other support staff, and services are included here.

#### (i) Public Library Services:

The provision of library services contributes towards the information needs of the Town's citizens. The library also provides programs to local residents.

**DRAFT** Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

# 25. Segmented information (continued):

# (j) Main Street District BIA:

The Main Street District BIA promotes the Main Street area as a business, shopping, and entertainment area. This department has been separately disclosed from other Planning & Development Services, due to its requirement to have audited financial statements.

# 26. Comparative information:

Certain comparative information has been reclassified to conform with the financial statement presentation adopted in the current year.

DRAFT Schedule 1 - Tangible Capital Assets - Summary by Asset Category
