# Mandate

The Newmarket Economic Development Advisory Committee (NEDAC) will provide Council and staff with strategic advice on facilitating and promoting balanced, sustainable, long-term economic growth that will benefit Newmarket and its residents through the attraction, expansion and retention of businesses.

The Committee will be responsible for the following:

- Liaise with the business community to identify potential opportunities for business development
- Provide guidance and feedback to Council and staff on strategic directions for economic development

# Accomplishments

- Collaborating with Staff and Council on contributing to Building a Vibrant Economy
- Providing Strategic Advice and insight into the Community Branding Strategy sessions
- Chair/Co Chair representing the Town of Newmarket at City Nation Place conference
- Participating in the identification of future economic development opportunities through Shorefast Asset Based Community Development sessions

# Thank You!
