**CORPORATE SERVICES COMMISSION
PROCUREMENT SERVICES DEPARTMENT
REPORT 2014-18**

TO: Committee of the Whole
SUBJECT: New Procurement Bylaw
ORIGIN: Manager, Procurement Services

RECOMMENDATIONS

THAT Corporate Services - Procurement Services Department Report # 2014-18 dated April 14, 2014 regarding the new Procurement Bylaw be received and the draft Procurement Bylaw, attached as Schedule "B", be forwarded to Council for approval.

COMMENTS

Over the last year, the Manager, Procurement Services and the Associate Solicitor have obtained input from staff, Operational Leadership Team, Strategic Leadership Team and external Legal Counsel on the proposed changes to the Procurement bylaw.

This bylaw introduces several new initiatives to ensure the Town of Newmarket is obtaining goods, services and construction in an Accountable, Ethical, Impartial, Professional and Transparent procurement process.

The Manager, Procurement Services has provided an attached Schedule "A" that highlights the changes and the following narrative rationale provides additional background content for the recommended major changes.

1. The Procurement Services Department has been posting our procurement bid documents to our Bid Opportunity website, in an electronic only format for the last four (4) years and this bylaw, specifically, Schedules B and C for Bid Irregularities for E-Bidding will support the next phase of Electronic procurement, the receipt of bids electronically which is planned to commence, June of 2014. This next phase will include an opportunity for Vendors and specifically,

Newmarket's vision: A community well beyond the ordinary

Newmarket Chamber of Commerce businesses, to attend information sessions on electronic bidding and the ability to participate in a mock electronic bid submission exercise.

2. A formalized Contractor Performance Evaluation Policy that will require Town staff to complete a Contractor Performance evaluation form for all publicly bid contracts. This policy will assist the Town in several ways, including but not limited to:
 - Recognizes and rewards a Bidder's documented positive performance for multi-year contracts, with additional year(s) extensions.
 - Prevents the award of contracts to Bidders, where the Town has documented cautionary performance concern(s) or the Bidder is on probation and cannot demonstrate a positive change in area(s) of concern, in the sole opinion of the Town.
 - Suspended Bidders will not be eligible for the award of contracts for a period of two (2) years or indefinitely (subject to being able to demonstrate a positive change in area of concern,), except for the exceptions, as noted in the Procurement bylaw.

In addition, to the past performance on Town contracts, the Town has the right to consider other factors in the award of a contract, including but not limited to; third party references, ability to meet specifications, etc.

3. Increase delegation limits to staff:

Municipality	Delegated Limit to staff for use of P-Card of Low Value Purchase	Delegated Bidding Threshold for all departments to release their own bid solicitations
Town of Newmarket Current limits	Up to \$ 5,000.00 and some staff exceptions may be higher	Up to \$ 5,000.00
Town of Newmarket Recommended limits	Up to \$ 10,000.00 and some staff exceptions may be higher	Up to \$ 10,000.00 Staff can still utilize Procurement Department services to issue bids up to this (\$) amount, if they request.

Other Municipal delegation limit examples:

City of Barrie	\$ 10,000.00	\$ 100,000.00
City of Markham	\$ 5,000.00	\$ 25,000.00
Town of Milton	\$ 10,000.00	\$ 10,000.00
Town of Halton Hills	\$ 5,000.00	\$ 25,000.00
Town of Oakville	\$ 5,000.00	\$ 25,000.00
Town of Aurora	\$ 5,000 and some staff exceptions are higher	\$ 30,000.00

SCHEDULE A- PROJECT EVALUATION FORMS	11

1. DEFINITIONS

“Performance Evaluation Form” has the meaning set out in Section 4.1 of this procedure document, as amended.

“Project Evaluator(s)” means one or more person(s) from the Owner’s user department(s) and/or a consultant to the Owner, that will be evaluating the Contractor’s performance by completing Performance Evaluation Forms in accordance with this procedural document, as amended.

All other initially capitalized terms not defined above shall have the meanings given to such terms in the Owner’s Procurement Bylaw #2014-XX, as amended.

2. PURPOSE

This procedure provides a framework for the Owner to evaluate and improve the performance of all Contractors awarded publicly bid Contracts by;

- (i) pro-actively managing the performance of Contractors during the term of awarded Contracts, and
- (ii) creating a record of past performance for use by the Manager, Procurement Services, in determining the award for future Solicitations.

Project Evaluator(s) may utilize this Contractor Performance Procedure for all other contracts including but not limited to; invitational bids, Single or Sole Source purchases, Emergency Purchases and wherever it is in the Best Interest of the Owner.

3. PROJECT EVALUATORS

- 3.1 Prior to participating in the evaluation of a Contractor, each Project Evaluator shall confirm that he or she does not have a Conflict of Interest.
- 3.2 Project Evaluators shall at all times abide by the Owner’s Employee Code of Conduct, as amended.

4. PROJECT EVALUATION FORMS

- 4.1 Project Evaluators are to use one of the following Project Evaluation Forms, as provided in Schedule “A” of this Procedural Document:
 - i. Infrastructure Consultant Project Evaluation Form
 - ii. General Consultant Project Evaluation Form
 - iii. Equipment/Vehicle Supplier Project Evaluation Form
 - iv. Supplier of Goods/Services Project Evaluation Form
 - v. Contractor Project Evaluation Form

5. FREQUENCY OF PERFORMANCE EVALUATIONS

- 4.1 The Procurement Services Department strongly recommends that Project Evaluators perform an **Interim Performance Evaluation** using the applicable form in Schedule “A” (the “Performance Evaluation Forms”) of this procedural document, at least every 12 months for all Contracts with a term longer than one year. Additional Performance Evaluation Forms may be completed and discussed with the Contractor at any time throughout the term of the Contract as needed based on the Contractor’s performance.
- 4.2 It is good practice to keep the Procurement Representative assigned to the Solicitation informed throughout the course of a Contract of any performance concerns with the Contractor. Departmental project managers should not hesitate to contact the Procurement Representative for advice or assistance regardless of the significance of the problem or to attend a meeting with the Contractor.
- 4.3 Project Evaluators shall ensure that each completed Performance Evaluation Form is clearly marked as either “**Interim**” or “**Final**”.
- 4.4 Project Evaluators should complete a **Final Performance Evaluation** for all Contracts using the applicable form in Schedule “A” (the “Performance Evaluation Forms”) of this procedural document, as amended, in a timely manner, preferably **within two weeks** of the following occurrences, depending on the type of good, service or construction:
- (i) For Construction contracts; upon the issuance of a Certificate of Final Completion or
 - (ii) For Consulting contracts; upon completion of the Contract or
 - (iii) For Goods; upon delivery and inspection of goods and/or after the expiry of any applicable deficiency or
 - (iv) for Services, upon completion of services and/or after the completion of deficiencies or
 - (v) for Vehicles and Equipment; upon deliver and inspection and/or after the expiration of the warranty period or
 - (vi) upon termination of a Contract for any reason prior to the Contract end date.
- 4.5 Interim Performance Evaluation Forms with rating(s) of **CAUTIONARY AND BELOW** for the Contractor’s performance shall also request in writing, appropriate corrective action within an acceptable timeframe, in accordance with the Terms and Conditions of the Solicitation and failure of the Contractor do so, in the sole opinion of the Owner, may lead to termination of the Contract.
- 4.6 Project Evaluators are not obliged to complete Performance Evaluation Forms for Contracts obtained through a non-competitive procurement process, but may do so at their discretion.
- 4.7 Project Evaluators shall complete all Performance Evaluation Forms, for approval, by their immediate Supervisor and the Manager, Procurement Services. The approved Evaluation form will be sent to the Contractor by Procurement Services. The Manager, Procurement Services shall consider Owner’s options, with the Legal Services Department, in situations where, the Contractor receives a rating of “**NOT SATISFACTORY OR UNACCEPTABLE**” in any category on a Final Performance Evaluation Form.

6. RECOMMENDED STEPS TO RESOLVING CONTRACTOR PERFORMANCE

- 5.1 It is important to have open communication with the Contractor throughout the project and to inform the Contractor in writing when their performance is a concern and to request appropriate corrective action within an acceptable timeframe, in accordance with the Solicitation's terms and conditions. It is equally important to keep a written record of all correspondence with the Contractor.
- 5.2 If the Contractor's response or corrective action is still a concern, departmental staff should involve the Procurement Representative. Where it is deemed appropriate an Interim Performance Evaluation should be performed by the Project Evaluator(s) and provided to the Contractor by the Procurement Department. The Contractor will be held responsible for the performance of its sub-contractors.
- 5.3 If the Contractor's response or corrective action continues to be a concern, the terms and conditions of the contract regarding non-performance will be utilized by the Manager, Procurement Services.

7. RECORD RETENTION

- i) Project Evaluators shall maintain the following documents and Bid records for seven (7) years or in accordance with the Owner's record retention procedures, as amended, following the completion of the Project warranty or maintenance period as supporting rationale to augment the Performance Evaluation Form:

 - ii. meeting minutes describing all issues discussed, decisions made, issues unresolved, and action items assigned;
 - iii. progress reports;
 - iv. project diaries which record significant daily events;
 - v. inspection and laboratory reports;
 - vi. photographs and video tapes; and
 - vii. rejected project deliverables.

8. PERFORMANCE EVALUATION SYSTEM

- 8.1 Project Evaluators shall assign Contractors one of the following ratings to each category set out on the Performance Evaluation Form. A critical aspect of the assessment rating system described below is the **second sentence** of each rating that recognizes the Contractor's resourcefulness in overcoming challenges that arise in the context of Contract performance.

Rating		Description of Rating
A	Exceptional	Performance <i>significantly exceeds</i> Contract requirements to the Owner's benefit, for example, the Contractor implemented innovative or business process reengineering techniques, which resulted in added value to the Owner. The contractual performance of the element or sub-element being assessed was accomplished with few minor

		problems for which corrective actions taken by the Contractor were highly effective.
B	Good	Performance meets contractual requirements and <i>exceeds in some area(s)</i> to the Owner's benefit. The contractual performance of the element or sub-element being assessed was accomplished with some minor problems for which corrective actions taken by the Contractor were effective
C	Satisfactory	Performance <i>meets</i> contractual requirements. The contractual performance of the element or sub-element contains some minor problems for which proposed corrective actions taken by the Contractor appear satisfactory, or completed corrective actions were satisfactory.
D	Cautionary	Performance did not quite <i>meet</i> contractual requirements. The contractual performance of the element or sub-element contains some minor problems for which proposed corrective actions taken by the Contractor appear to be a continued minor concern, or completed corrective actions were slightly below satisfactory.
E	Not Satisfactory	Performance <i>does not meet some</i> contractual requirements. The contractual performance of the element or sub-element being assessed reflects a serious problem for which the Contractor has submitted minimal corrective actions, if any. The Contractor's proposed actions appear only marginally effective or were not fully implemented.
F	Unacceptable	Performance <i>does not meet</i> contractual requirements and <i>recovery is not likely</i> in a timely or cost effective manner. The contractual performance of the element or sub-element contains serious problem(s) for which the Contractor's corrective actions appear or were ineffective.

1. THE CORPORATION'S P- CARD PROVIDER:

Royal Bank of Canada (RBC) has established a joint marketing agreement with U.S. Bank Canada to provide commercial cards to our Cardholders.

2. INTRODUCTION:

The purpose of this Policy is to communicate procedures for use of the Corporation's Procurement Card, hereafter called P-Card, to enable P-Card Cardholders to efficiently purchase goods, service(s) and construction, in compliance with this policy, as amended and the Procurement Bylaw, as amended:

- a) Valued up to \$ 5,000.00, or
- b) Where the Cardholder, Treasurer, Department Head or Commissioner have approved a temporary increase, where it is in the best interest of the Town.
- c) As per Schedule "E" Position Exceptions of the Procurement bylaw, as amended or
- d) For Financial Services staff to make a payment for a public bid up to \$99,999.99 (inclusive of taxes), where it is in the best interest of the Town and approved by the Treasurer or
- e) When a municipal emergency is declared by the Mayor and/or CAO and the limits for any or all P-Cards will increase, as per the Procurement By-law Schedule "D", as amended or
- f) Emergency Municipal P-Cards may be used by Procurement staff up to an unlimited value during a municipal emergency, when pre-approved in writing, by the Commissioner or CAO.

H.S.T. is additional to all transaction limits (except for item d above).

The Manager, Procurement Services may at the direction of a Department Head, Commissioner or C.A.O., add additional positions exceptions (Schedule "E" of the Procurement bylaw, as amended) that have higher transaction and monthly limits, where it is in the best interest of the Town.

In addition all corporate P-Cards have been blocked for the Standard Merchant Category Codes (MCC) and some P-Cards may be blocked from the Optional Merchant Category Codes (MCC) based on Cardholder application approved by the Department Head. See Appendices Form -07 for MCC categories.

All purchases made with the P-Card shall be on behalf of the Corporation. Purchasing on behalf of the Corporation requires special sensitivity on the part of the Cardholder to obtain fair and reasonable prices in accordance with this policy and adhering to ethical behavior.

Individual user profiles are established for each employee, hereinafter referred to as “Cardholder” for the P-Card program. Dollar limits are established for each Cardholder based on the nature of the work performed and as stipulated by their Commissioner and/or Director. There are two dollar limits established for all P-Cards:

- Total Cycle Dollar Limit per month.
- Maximum Dollar Amount per Transaction (not to exceed \$10,000.00 per transaction), except for the exemptions stated above.

Cardholders may use a P-Card for travel expenditures (with the permission of their Department Head or Commissioner).

3. OBTAINING A P-CARD:

A P-Card request form (see Appendices P-Card Form 01) shall be completed and authorized by the Department Head or Commissioner or C.A.O., (a request for a Department Head’s P-Card shall be approved by their Commissioner, and a request for a Commissioner’s P-Card shall be approved by the C.A.O.).

Before a Cardholder can receive a P-Card and be authorized to make purchases on behalf of the Corporation, the Cardholder shall attend a P-Card training class, read and understand this P-Card policy and sign a Cardholder Agreement. Signing of the Cardholder Agreement indicates that the employee understands and agrees to abide by the P-Card Policy.

4. P-CARD PROGRAM ROLES:

To ensure compliance when using the P-Card, the following roles were created:

- Cardholder:** The individual whose name appears on the P-Card and who is accountable for all charges made with the card. Cardholders are required to complete P-Card training when applying for their first P-Card, comply with the terms of the P-Card policy and sign the Cardholder Agreement Form (appendices Form-02). The Cardholder’s name and the Corporate Logo will be embossed on their Corporate P-Card that is designed to prevent confusion with personal credit cards. It is suggested that P-Cardholders keep their P-Card in a separate section of their wallet to differentiate the corporate card from personal cards.
- Approver:** This is typically the person the Cardholder reports to, it is this person’s responsibility to complete the administrative review of the Cardholder’s statement and receipts. It is the responsibility of the Approver to address Cardholders about questionable transactions. After the review is completed and any questions have been answered, the Approver is required to sign the statement indicating approval of the reported transactions. Approvers are required to comply with the terms

of the P-Card policy and sign the Approver Agreement Form (appendices Form-03).

- c. **Reconciler:** The Cardholder or a staff person designated by the Cardholder's Department Head shall perform the monthly P-Card reconciliation. Reconcilers are required to comply with the terms of the P-Card policy and sign the Reconciler Agreement Form (appendices Form-04).

5. P-CARD OWNERSHIP- KEEPING THE CARD SECURE:

- The P-Card should be treated with the same security as a personal credit card:
- Keep it with you—do not lock it in a desk or file cabinet.
- Do not write any portion of the P-Card number down or share the number with others.
- Do not give the P-Card number to a merchant to “keep on file” or share your card and/or number with another staff member. This practice opens a greater window of opportunity for fraudulent activity to be placed on the card. A staff member that does not have a P-Card but their job function requires that person to make corporate purchases shall request a P-Card through their Department Head using Form-01 (see appendices)

6. CARDHOLDER TO OBTAIN DETAILED RECEIPTS

A proper detailed receipt shows the itemized description of the items purchased, the date of purchase, the amount paid, taxes paid and the method of payment. It is the Cardholder's responsibility to obtain detailed receipts and other documentation (i.e. warranty information) from the merchant(s) each time the Cardholder uses the P-Card.

It is vital that the detailed receipt be submitted, as it is required by the Financial Services Department to claim for the H.S.T. rebate (if applicable) for the purchase, otherwise the Cardholder's department will not receive these rebate funds. **IN OTHER WORDS, THE DEPARTMENT HAS LOST MONEY.**

The detailed receipt is also a good audit trail to prove that the purchase was made and what it was for.

7. ALCOHOL PURCHASES

Alcohol shall **not** be purchased on the P-Card, with the sole exception being, where the purchase has been pre-authorized in writing by the Manager, Procurement Services, or designate for purchase of alcohol for a corporate event.

The following positions are exempt from this restriction:

1. The Economic Development Officer, or designate
2. The Executive Assistant to the Mayor, or designate, with the authorization of the Mayor.
3. The Executive Assistant to the C.A.O., or designate, with the authorization of the C.A.O.
4. The C.A.O.

8. RECONCILER RESPONSIBILITIES

Each Cardholder **either** does their own reconciliation or the responsibility is assigned to a Reconciler by the Department Head. For the monthly P-Card reconciliation, the Reconciler:

- Checks receipts against transactions on statement to ensure the charges are correct.
- Verifies the dollar value for each transaction.
- Enters the following information:
 - General Ledger Account number(s)
 - Description of Purchase
 - For charges to conferences general ledger, the employee vendor type and number
 - The National Tax if it is not stated (this is the H.S.T. amount shown on the Cardholder's detailed receipt). The following list provides some examples (not an exclusive list) of purchases, where the National Tax (H.S.T) should be corrected:

Grocery Store purchases

Restaurants

Any out of province purchases
 - If the National Tax amount stated is **not correct** for this purchase (**DO NOT** change it if the difference is **five cents or less**)
- Prints the P-Cardholder Activity Report after reconciling all transactions
- Assembles the P-Card statement and supporting documentation and forwards all to the Cardholder and/or Approver for review and signatures.

Note: The time constraints for submitting the reconciled statement to the Procurement Services Department, prior to the deadline makes it challenging to have the Cardholder sign off on the reconciled statement. It is permissible for the Reconciler, at the end of the billing cycle, to print the statement of purchases for that cycle for each Cardholder and have the Cardholder review all purchases to ensure accuracy, sign the statement and return it to their Reconciler promptly to include with the statement to be signed by the Approver.

If a Cardholder is on vacation or off due to illness – the Statement should be signed upon their return to work and submitted to Procurement Services.

9. STAFF RESPONSIBILITIES FOR ORDERING LOW VALUE GOODS AND/OR SERVICES:

Staff that are purchasing low value goods and services on behalf of the Town should at the time of ordering, provide the Vendor either:

a. A P-Card or P-Card information if ordering by phone/web.

Note: All existing processes for payment of term contracts paid by P-Card will remain status quo and are to be paid by the user department using their own P-Card or Ghost Card.

b. A Low Value Purchase Order generated by the user in JD Edwards. Staff shall instruct the Vendor to send the invoice directly to Financial Services – Accounts Payable and that the Low Value Purchase Order is referenced on the invoice.

Staff should obtain three quotations where ever possible.

Staff are to obtain both WSIB and Insurance from the Vendor when acquiring a service, failure to do so, may subject the Town to risk including but not limited to:

WSIB Act s.141 (6) If the person is not deemed to be the employer, the person shall ensure that the contractor or subcontractor complies with his, her or its obligations to make payments under the insurance plan. The person is liable to the extent that the contractor or subcontractor does not meet those obligations

c. The Procurement Department staff, when bidding goods, services, construction up to \$ 99,999.99, will be asking bidders if they would accept visa for payment. These bids will be paid by Financial Services – Accounts Payable staff using their P-Card, after the user department has approved the invoice for payment.

- d. **New Policy:** Financial Services will be returning all invoices for the purchase of goods and services that do not reference a low value purchase order to the user department to enter a low value purchase order.

10. USING THE P-CARD

The P-Card may be used to make transactions over-the-counter, by mail, via telephone, or over the Internet. The Cardholder has the responsibility to account for all transactions made using the P-Card. This includes maintaining detailed printed receipts including confirmations of Internet transactions.

11. CHOOSE THE APPROPRIATE BUYING METHODS

Before making a purchase with the P-Card, Cardholders should consider the following steps, which are presented in the order in which you should consider using them:

- a. **Internal Service Providers:** If a good or service is available through another department. For example:
 - Does another department have the tool or equipment that can be used, rather than renting or buying?
 - Can Town staff paint the office, instead of hiring an outside painter?
- b. **Formal Term Contracts:** Employees should utilize formal Term contracts with suppliers established by Procurement Services that support the procurement needs of the entire Corporation for specific goods or services. Cardholders are not responsible for obtaining Insurance and WSIB certificates for purchases made from Term contracts, as these forms are already on file with the Corporation. For example:
 - Office supplies
 - HVAC
 - Overhead Door repair

For a complete list of Town Term contracts visit the Town's TONI intranet at:

<http://toni/Page132.aspx>

Corporate Term Contracts should be considered the primary sources for any purchase of goods or services. If the required good or service is available through a Corporate Contract it should be purchased from that contract.

- c. All other Purchases for goods and/or services:

- After consideration of the first two buying options, Cardholders may purchase goods and/or services up to their transaction limit.
- If you are obtaining **a service** which is not available through the first two buying options, you are required to obtain the following documentation **prior** to the Contractor performing any service for you:
 - i. A faxed or emailed copy of the Contractor's current WSIB Certificate of Clearance
 - ii. The Contractor shall have their Insurance Company complete the Town Insurance Certificate form for the minimum following coverage. –link to <T:\Public\Procurement Services\Low Value Purchases>
 - (a) Comprehensive general liability insurance on an occurrence basis for an amount of not less than Two Million Dollars (\$2,000,000) and shall include the Owner, The Corporation of the Town of Newmarket, as an Additional Insured with respect to the Contractor's operations, acts and omissions relating to its obligations under this Agreement, such policy to include, but not be limited to, non-owned automobile liability; personal injury; broad form property damage; blanket contractual liability; owners and contractors protective liability; products and completed operations liability; contingent employers' liability; and, cross liability and severability of interest clauses.
 - (b) Automobile liability insurance for an amount not less than Two Million Dollars (\$2,000,000) on forms meeting statutory requirements covering all licensed vehicles used in any manner in connection with the performance of the terms of this Agreement.

Note: If it is a service that will be used more than once - contact the Procurement Services Department, as it may be more appropriate for the Procurement Services Department to bid the service and establish a formal term contract.

Once the service is completed, follow the steps stated on the Procedures for Receiving and Inspecting Goods Services Poster displayed at all Town facilities. If you obtained a service, the Contractor's WSIB Certificate and Insurance form shall be included in the Cardholder's P-Card Statement along with the detailed receipt/invoice.

12. DUPLICATION OF PAYMENT

Invoices that are received by the Town should either indicate the Purchase Order Number or if paid by P-Card the Invoice should state:

- Paid by P-Card and

- the Cardholders name

This will help ensure that invoices are not paid twice by the Corporation.

13.P-CARD STATEMENT OR SUPPORTING DOCUMENTATION

If Cardholder's P-Card Statement is incomplete (e.g., the Cardholder has not signed the statement, or you have not provided all required receipts), the Approver will return the statement to you for correction. Once corrected, you must return the statement and supporting documents to the Approver to complete the review process. The completed and signed statements are then forwarded to Procurement Services Department (P-Card Coordinator) for review prior to payment. The P-Card Coordinator will advise both the Cardholder and Approver, to provide any missing information or to provide further clarification, prior to the closing date for statements. Failure to do so may result in progressive discipline, as detailed in this policy.

14.RETURNS, CREDITS AND DISPUTED ITEMS

If you have a problem with a purchased item or with billing resulting from the use of the Corporate P-Card, you should first try to resolve the issue with the supplier that provided the item. In most cases, disputes can be resolved directly between the Cardholder and the supplier. The Cardholder must use the following guidelines when returning an item:

- The Cardholder must send the item back to the supplier in a manner agreed upon by the Cardholder and the supplier.
- Record the return on Cardholder P-Card Statement. The supplier should issue a credit to the Cardholder's P-Card for any item that has been agreed to for return. This credit will appear on a subsequent monthly statement.
- Documentation of the return (such as a credit receipt) should be issued by the supplier and kept on file by the Cardholder for reconciliation to the monthly statement. Cardholders must specifically request a credit to the P-Card for any return that was originally charged to the P-Card.
- If a supplier refuses to credit the Corporate P-Card, the Cardholder shall report this information to Corporate P-Card Coordinator at 905-953-5335.
- If you are unable to resolve a dispute with the supplier, contact the Corporate P-Card Coordinator at 905-953-5335. The card provider will investigate and assist in resolving the dispute on the Cardholder's behalf.

15.BILLING CYCLE

The P-card cycle runs from the 16th of one month to the 15th of the following month. P-card transactions posted on-line can be reconciled on-line at any time throughout the month. Following the cycle close, an email is issued to all

cardholders as a reminder to complete their reconciliations and submit their signed cardholder activity statement to their Approver within 7 calendar days, but no later than the 22nd of the month. Once reviewed and approved by the Approver, the submission envelope will be forwarded immediately to the Procurement Services Department. The P-Card Coordinator will review all transaction summaries for accuracy and completeness. The accounts will lock in Access On-line at the end of the day on the 28th of the month and no further account coding can be done on-line. The Supplier of the Card Program will then send a file to be uploaded into the general ledger in JD Edwards on the 29th of the month. Any further adjustments to the account coding can only be done through a journal entry by the Financial Services Department staff.

16. INTERNAL AUDIT

On a monthly basis, approximately twenty (20) Town of Newmarket Cardholders will be audited and on a quarterly basis, approximately three (3) Newmarket Public Library Cardholders will be audited by Town staff to ensure compliance with this policy. Those Cardholders found to be non-compliant and if it is a 1st offense, a notice of the non-compliance will be issued by the Manager, Procurement Services to the following staff and the Cardholder's monthly statement will be audited for an additional consecutive three (3) month period.
